

The tempo of success

Ariane 5 ECA's core stage is readied at Europe's Spaceport

CHALLENGE

Another Ariane 5 ECA is taking shape as Arianespace prepares for its third heavy-lift launch in 2006. The mission will again demonstrate the launcher's dual payload flexibility, carrying the JCSAT-10 and Syracuse 3B communications satellites.

The logo features a stylized blue sphere with a white orbital ring and a grey arrow pointing upwards and to the right, symbolizing space and progress.
