

The tempo of success

Ariane 5 lifts off on
its August 11 dual
payload mission

TALENT

Arianespace's high-performance Ariane 5 has once again demonstrated its powerful dual-payload capability. On August 11, the launcher successfully orbited Japan's JCSAT-10 commercial telecom satellite and France's Syracuse 3B military relay platform.

The logo features a blue sphere with a white orbital ring and a grey arrow pointing upwards and to the right, symbolizing space and technology.
