

# The tempo of success

Arianespace Chairman & CEO Jean-Yves Le Gall congratulates David Gilmore, Telenor Satellite Broadcasting's Deputy CEO, on the Service & Solutions launch contract for Thor 6

SOYUZ  
ARIANE 5

THOR 6

Norway's Telenor Satellite Broadcasting is a new Arianespace customer with its Service & Solutions contract for the THOR 6 spacecraft. To be orbited in 2009 by an Ariane 5 or Soyuz launch vehicle, THOR 6 will provide direct-to-home TV services for Nordic countries and Central Europe.
