

The tempo of success

Ariane 5's final mission of 2006 orbited the AMC-18 and WildBlue-1 satellites

TABLET

Ariane 5 completed another highly successful year of operations with its on-target mission December 8. The five Ariane 5 flights performed during 2006 orbited a total of 10 satellites and one auxiliary passenger – more than all of the competitors combined.

The ArianeSpace logo features a blue sphere with a white orbital ring and a grey arrow pointing upwards and to the right, symbolizing space exploration and technology.
