

# The tempo of success

Arianespace's October launch was the fourth for Ariane 5 in 2006

## TABLET

Ariane 5's heavy-lift mission on October 13 delivered the Optus D1 and DIRECTV 9S satellites with pinpoint accuracy. To date, Arianespace launchers have carried more than 600 metric tons of payloads into orbit.

The logo features a blue sphere with a white orbital ring and a grey arrow pointing upwards and to the right, symbolizing space and technology.
