

# The tempo of success

Jean-Yves Le Gall, Arianespace  
Chairman & CEO and Kiyoshi Isozaki,  
JSAT Corporation President & CEO,  
sign the JCSAT-12 launch contract

JCSAT-12

Arianespace's Service & Solutions offer provides unparalleled reactivity to customers' needs. We have reinforced our long-term relationship with JSAT Corporation by signing the JCSAT-12 satellite for an Ariane 5 launch in 2009.
