

The tempo of success

B-SAT Corporation President & CEO Kazuo Takenaka congratulates Jean-Yves Le Gall, Arianespace's Chairman & CEO, on the selection to launch BSAT-3b with Ariane 5

T R U S T

Arianespace is the benchmark launch Service & Solutions provider for Japanese telecommunications satellite operators. Our selection to orbit BSAT-3b in 2010 marks the seventh satellite entrusted to Ariane launchers by Japan's B-SAT Corporation.
