 Service & Solutions

www.arianespace.com

9 launches, 21 payloads, nearly 50 tons
 Ariane 5 and Soyuz have once again proven why they are the world's leading commercial launchers. Nine highly accurate missions in 2007 lofted 20 telecommunications satellites and one Earth imaging spacecraft – placing nearly 50,000 kilograms into orbit. In 2008, Arianespace will continue providing the highest quality service and innovative solutions for its global customer base. Put our unmatched launch tempo to work for you.
