

Tempo of Success

The latest Ariane 5 production order was signed by Arianespace Chairman & CEO Jean-Yves Le Gall and Astrium Space Transportation CEO Alain Charmeau at a ceremony in Paris

CONTINUITY

Arianespace's Service & Solutions offer is guaranteed with our new production agreement for 35 additional Ariane 5 ECAs. The total 49 Ariane 5s now under contract will be complemented by the payload lift capabilities of Soyuz and Vega, meeting Arianespace's order book backlog that exceeds three years of operations.
