

**arianespace**  
service & solutions

ABS-2 will offer a wide range of services for Asia, Russia, Africa and the Middle East

# TRUST

Our 10th launch contract signed in 2009 is for the ABS-2 communications satellite, to be injected into geostationary transfer orbit by an Ariane 5 in 2012. We welcome Asia Broadcast Satellite as the newest customer for Arianespace's Service & Solutions offer.
