Tempo of Success

Ariane 5 lifts off on its November 26 mission from the Spaceport with Intelsat 17 and HYLAS 1

QUALITY

On its 40th consecutive launch success, Ariane 5 lofted the dual payload of Intelsat 17 and HYLAS 1. In the past six months, Arianespace has orbited 10 of the 17 large telecommunications satellites launched worldwide during 2010.
